

Financial Terms of The English College in Prague – Anglické gymnázium, o.p.s.

General Terms

By paying a refundable deposit of 9000 CZK parents accept the financial and contractual terms of the English College in Prague and accept the offered place for their child. The deposit will be refunded at the end of the child's studies at the ECP under the condition that all liabilities towards the college are settled including handing back all books and other borrowed materials. The deposit must be paid according to the deadline announced at the time of the entrance exams. If payment is not made, the place is no longer reserved for the child and will be offered to other applicants.

The school fee is governed by the contract signed between the school and parents of a student. It is obligatory for parents to reapply each year if they are interested in social bursaries for student on the Maturita programme. The form is available in the Bursar's office or on the School's web pages. Academic scholarships are always granted for one academic year only and depend on the student's performance in the past academic year. It is not necessary to fill in any form.

All students pay school fees in Czech crowns but subject to agreement with the Bursar, students on the Non-maturita programme may pay fees in Pounds sterling.

All school fees are subject to annual review and may be changed with regard to inflation or for other reasons.

If a student leaves the English College in Prague sooner than at the end of Year Six, it is necessary that the parents give written notice one term in advance, otherwise they will be asked to pay in addition one term's school fee.

Payment terms

School fees are payable for each term, which means three instalments a year always before the next term starts. The payment deadlines are 1 September, 1 January and 1 April of the current school year. If payment is not made the student cannot attend the school in that particular term. It is possible to pay the school annual fee in one payment. If the whole payment is credited to the

school's account no later than on 15 August ahead of the academic year, a discount of 5 % will apply.

All payments are made to one of the ECP accounts listed below
