The English College in Prague - Anglické gymnázium, o. p. s.
 Sousedíkova 1044/8, 190 00, Praha 9 (Elektra building)
 Špitálská 885/2a, 190 00, Praha 9 (Annexe building)

The School Code applies to all pupils, their legal representatives and all school staff from 1.9.2025.

General Provisions

The School Code of The English College in Prague - Anglické Gymnázium, o. p. s. is issued pursuant to The Act No. 561/2004 Coll., The Decree on Basic Education and Compulsory School Attendance No. 48/2005 Coll., The Decree on Secondary Education No. 13/2005 Coll., The Labour Code and other valid directives The Ministry of Education, Youth and Sports and in accordance with The Charter of Fundamental Rights and Freedoms, The Convention on the Rights of the Child and other legal regulations of the Czech Republic.

The School Code also includes rules for evaluating the results of pupils' education. Pupils and their legal representatives have voluntarily decided to study at our school and they accept all rules that are laid down by this School Code.

The School Code is published on the school's website, and is available at the reception and in the office of the School Office Manager.

When the School Code refers to the rights and obligations of legal representatives, pupils have these rights and obligations themselves, after reaching the age of 18.

Pupils are expected to behave sensibly and responsibly at all times. This code describes specific expectations regarding attendance and behaviour but at all times common sense and decency should prevail when interpreting school rules.

1. Rights - Pupils & Parents/Guardians

Pupils and their Parents/Guardians (where applicable) have a right to:

- Education according to the School Act, a right to information and counselling in matters relating to education and to a courteous, calm and helpful approach from teachers.

- To be aware of disciplinary measures to strengthen discipline (reprimand from the class teacher, reprimand from the class teacher in the school records, reprimand from the school principal in the school records; for pupils who have completed compulsory school attendance, also conditional expulsion from studies and expulsion from studies).
- To a fair evaluation, taking into account individual specificities.
- To express disagreement with the grading at the end of the 1st or 2nd half-year and request a board (commissional) re-examination (no later than 3 days after receiving the report card).

- To request exemption from physical education for health reasons (it is necessary to support this with a medical certificate).
- To request absence from lessons for urgent reasons – when approving such requests, individual reasons, academic performance and the total number of absences, attitude and approach to studies and to the school, and potentially top-level sports, cultural and social representation will be considered.

3. Processes (Daily operation of the school)

3.1. Attendance & Punctuality

3.1.1. Explaining and authorising absences

For pupils under 18 the legal guardian must submit a request for leave via the Parent Portal, according to the schedule below.

Pupils over 18 may excuse their absence via their school email to absences@englishcollege.cz

Table 3.1 - Schedule for notifications for planned absence

| Length of absence | Minimum Notice required |
|----------------------------------|-------------------------|
| Part of a day | 2 full working days |
| From 1 full day to 9 school days | 1 full week (7 days) |
| 10 school days or more | 2 full weeks (14 days) |

The exception to the above schedule is excusing absence for end-of-year trips. Notification of this absence must be submitted by 31 March.

Planned absences due to:

- **study leave** may only be authorised where pupils are taking external exams. For this type of request a full description must be provided.
- **university-related** reasons e.g. interview, external admissions test (SAT, LNAT, etc), or university visit. The request must also be emailed to the Director of Upper School - nicholas.hill@englishcollege.cz
- **school trips** led by teachers at ECP are automatically authorised
- **ECAs**, organised by a member of staff at the English College, will be automatically authorised.
- **ECA-related** absences for events **not organised** by a member of staff at the English College will not be authorised (e.g. Model United Nations events)

The class teacher regularly evaluates absences. The Senior Tutor is informed about unexcused absences and increased excused absences.

3.1.2. Assessment and grading for low attendance

The teacher has the right not to grade the pupil in a reporting cycle if:

- absences in a given subject exceed 15% of the taught hours
- the pupil has completed less than 50% of assessments or other grading materials

3.1.3. Evidence required for school to authorise absences

If a pupil is absent without warning/agreement then the Attendance Officer will contact parents on that day to inform them the child is not in school.

The College reserves the right to authorise only absences that are necessary and for reasons that the school considers valid.

If the legal guardian of a pupil under 18 wishes to excuse them after a school event outside the school's location (e.g. during the return journey from a school trip, etc.), they must email the event organiser at least one week in advance, stating where and when the pupil can be released and confirming that they assume full responsibility for the pupil from that moment. A pupil aged over 18 must do so similarly.

For pupils over 18: In cases of reasonable doubt over the reason for their absence, the school may request additional documentation for absences of one day or longer in order to consider authorising it. This may include a doctor's note or other evidence.

3.1.4. School day and temporary timetable

During term times the College is open from 7.30am until 4.30pm, Monday to Friday. The school takes no responsibility for pupils on or around the premises before or after these times.

The College is operating a temporary timetable during the period when it is split over two sites, to minimise the number of times teachers and pupils need to move between sites. The timetable will run within the 8.00 to 16.00 envelope every day. Specific lesson times are subject to change if required due to relocation updates.

Extra-curricular activities take place during lunch breaks, after school or at other times by arrangement.

3.1.5. Cover lessons at the end of the day

Years 1 and 2: will always be supervised by an alternative member of staff for cover lessons. Therefore pupils must remain on site until the normal end time for the day.

Years 3 to 6: when the normal classroom teacher is not present for the last period of the day, the pupils will be dismissed early and allowed to leave school (this will normally be earlier on a Thursday).

3.1.6. Arriving late to school

Pupils arriving late or leaving school early must sign in and out at Reception/or Annexe office.

For all pupils under 18, permission from their parents must be provided if they are required to leave before the end of the school day.

If a pupil is unwell or has to leave during the school day, the pupil may not leave the College without speaking to the Attendance Officer in 4.19, someone in the Pastoral Office (4.19), or someone in A06 at the Annex. Once it is agreed with the legal guardian that they can leave, then all pupils must sign out at Reception if they are in Elektra or in A06 or A05 at the Annexe.

Pupils over 18 must give a reason when signing out and follow this up with an email to absences@englishcollege.cz. If pupils leave school without following these procedures, their absence will be recorded as unexcused.

3.1.7. PE lesson attendance

If a pupil is unable to actively participate in a PE lesson due to previous illness, they are still expected to attend the class and undertake non-playing responsibilities or complete written work reflecting on the lesson they are observing. A parent request for passive participation in a PE lesson needs to be e-mailed to PErequest@englishcollege.cz.

If a pupil is likely to be off PE for **two weeks or more**, a parent request including a medical note to that effect needs to be emailed to PErequest@englishcollege.cz. The request must include the following information:

- full name of the student
- a clearly stated reason for non-participation in PE activities
- a medical note
- time for when the request is valid (from - to)

The Director of Sports will then decide if the student will be attending PE in a supporting capacity or arrange for the pupil to register and work under supervised conditions in the Library or another appropriate area.

Absences that do not follow this procedure will be recorded as unauthorised. If your child is not feeling well enough to travel to the PE site, then they should not be in school.

3.1.8. Individual Education Plans

3.1.8.1. What is an IEP?

An **Individual Education Plan** (hereinafter referred to as 'IEP') is a form of full-time study that enables a pupil to master the content and scope of the curriculum while completing a lower number of teaching hours, without compromising the pupil's classification.

The Headmaster may allow education according to the IEP:

- A.** to a pupil with **special educational needs** or **exceptional talent**
- B.** due to a **long-term illness** and thus an increased absence
- C.** also for other serious reasons:
 - a pupil from Year 3 to 6 who has shown **excellent sports performance** and results (i.e. is in the national team, is the winner of the Czech national championships, etc.).
 - a pupil from Year 3 to 6 engaged in **demanding artistic extra-curricular activities**.

3.1.8.2. Requirements of the IEP application

- A.** For pupils with **special educational needs** or **exceptionally talented pupils**
 - The school counselling facility will issue recommendations for the IEP.
 - The pupil or the legal representatives send an application to the Headmaster at headmaster@englishcollege.cz. The application must contain basic information about the pupil (name, date of birth), date of submission of the application and in particular, sufficient justification of the application and the period of required validity* of the IEP.
- B.** Due to a **long-term illness**
 - The pupil or the legal representatives send an application to the school to the Headmaster. The application must contain basic information about the pupil (name, date of birth), date of submission of the application and in particular, sufficient justification of the application and the period of required validity* of the IEP.
 - The application must be accompanied by a doctor's statement/recommendation.
- C.** Due to demanding **sports extra-curricular activities**
 - The pupil or the legal representatives send an application to the school to the Headmaster. The application must contain basic information about the pupil (name, date of birth), date of submission of the application and in particular, sufficient justification of the application and the period of required validity* of the IEP.
 - The application must be accompanied by a recommendatory opinion of the sports club that the pupil is a member of. This certificate must be issued by a sports organisation representing this sport in the Czech Republic.
 - The application must be accompanied by a training plan confirmed by the Sports department.

3.1.8.3. Prerequisites for IEP permission by the Headmaster:

- The application for an IEP contains all the required documents.
- The pupil did not:

- have a Grade 2 or 3 for Behaviour in the previous school year
- receive a Headmaster's Reprimand
- have any involvement in any incident connected to alcohol, addictive substances, bullying or carrying weapons to school.
- In the previous school year, the pupil performed all tasks arising from the IEP.
- In case of an application due to the demanding extra-curricular sports activities, the pupil will represent ECP in school sports events.

3.1.8.4. IEP validity:

- An IEP becomes valid only after the final IEP plan created by the Senior Tutor is signed by the Headmaster. Provisionally, a pupil can leave lessons on the basis of an IEP during the 30 days from the Headmaster's pre-approval. After one month from the initial request, a pupil may no longer leave lessons based on the IEP if the plan has not been fully signed by the parents, teachers and the Headmaster.
- An IEP can be modified throughout the school year as necessary.
- An IEP is valid only for the current school year. If the reasons for its continuation persist, it is necessary to apply for this study plan again for each subsequent school year.
- If there is a serious violation of the agreed individual study plan, the Headmaster may decide to cancel it.

*The application is submitted for a definite period, for a maximum of one school year.

Unless exceptional circumstances apply, IEP and other discretionary releases will only be processed if requests from parents are made during September and January of each year. The method of assessment will clearly be stated in the IEP and will allow each pupil to be provided with appropriate and equivalent academic grades. Pupils not adhering to the terms of the IEP (e.g. not attending the Library if required) are liable to have it rescinded at the discretion of the Headmaster.

3.1.9. PE Release

- A pupil may be released from PE partially or completely in accordance with Decree No. 391/2013 Coll., on medical fitness for physical education and sport.
- A complete/partial PE release request can be submitted only for a period of a half or full academic year.
- In the case of **partial PE release**, the teacher is obliged to take into account the pupil's limitations and to approach their teaching individually. A doctor's note must be submitted to the PE teacher, the doctor must determine exactly the

activities from which the pupil is released in the PE class. A pupil typically gets a grade.

- In the case of **complete PE release**, the pupil does not exercise, but is obliged to be registered in the library or other suitable location within the school building. If the PE lessons are scheduled as first or last lessons, the pupil may be released from school in accordance with paragraph 2 of Section 50 of Act No. 48/2004.

An application for release from Physical Education is submitted to the Headmaster by the legal representative or an adult pupil.

A medical report must be provided. The medical report specifies for which period the pupil is released and whether it is a complete release from physical education or only a partial release. In the case of partial release, the doctor must determine exactly the activities from which the pupil is released in the PE class.

The application and the medical report is delivered to the Headmaster - by 30 September or 30 January. Later requests will be considered only in exceptional cases (accident, change in health).

The Headmaster shall make a decision on the application and inform the legal representative thereof.

3.1.10. B1 Maturita Languages Release

Pupils who meet the below criteria will be placed in the Maturita German/French/Spanish class upon entering Year 5. They will be in this class until the end of Year 6 unless one of the below points is no longer relevant.

- the pupil is taking the Maturita
- the pupil is not taking German/French/Spanish B at IB
- the pupil does not have a B1 certificate (or higher) in the language studied in years 3/4

In the event of the pupil obtaining a B1 (or above) certificate in the language studied in Year 3 and 4, parents can request a subject release from the Headmaster.

The certificate must be sent to headmaster@englishcollege.cz along with an email requesting release to be granted from the Maturita language lesson.

Pupils must attend the lessons until the release has been formally granted and confirmed by the Headmaster.

3.2. Behaviour

3.2.1. The School's Obligations in Cases of Serious Behaviour Incidents

The school has a legal duty to inform statutory bodies (e.g. the police and social services) when something seriously wrong is suspected. The school has this obligation to report such things (e.g. serious bullying) even if parents do not want the school to do so.

The school is obliged to report to the *Orgán sociálně právní ochrany dětí (OSPOD)* - Office for the Social & Legal Protection of Children - any case that suggests that an underage child may have been a victim of a crime (only suspicion is needed). This duty comes from Act No. 359/1999 Coll., on the Social and Legal Protection of Children (§ 6 + § 10/4).

3.2.2. Mobile Phones and Laptops

In all lessons the use of mobile telephones and laptops is at the discretion of the teacher (in consultation with the Head of Learning Support).

The default position is that telephones are not normally permitted to be used during lessons and should be switched off and kept in a pupil's bag. If a pupil misuses technology during lessons, he or she can expect to have the object confiscated for that lesson and persistent misuse may result in a warning.

Phones must be on silent mode, in bags/coats, not on a pupil's person, Wearable technology must be in 'do not disturb' mode and earphones removed. Lids on laptops must remain closed unless the teacher requests otherwise

- Mobile phones or other wearable devices must never be taken into an examination room. Wearable technology and watches must not be worn in exams as this will result in disqualification. Exam regulations do not allow any device capable of mobile communication. Our strong advice is that pupils should not bring wearable technology devices to school because they are likely to be a greater distraction than other mobile devices.
- Mobile phones, cameras or other devices must not be used to record, film or take photos of teachers or their lessons without the teacher's permission. Pupils must also not take pictures or distribute any images of other pupils without their permission.
- No information or material connected with the College may be placed on social websites, such as Facebook or YouTube or other public websites, or supplied to the media, without the permission of the Headmaster or Senior Tutors/Upper School Team.

Pupils are required to have a light, portable laptop. They will be used regularly in lessons; the curriculum includes embedded ICT activities that both support learning and

assessment in the subject, and also help develop pupils as effective users of technology. Much IB work is expected to be completed electronically.

3.2.3. Dress Code

Pupils have the right to come to school in clothing that they are comfortable in within the expectations of our dress code. The ECP does not designate gendered clothing at school or any of our events.

Body-piercing and clothing should reflect the importance of safety in PE and other physical activities. If we have concerns about body piercings or potentially unsafe clothing, we will raise this with the pupils involved.

If we ever think that a pupil's dress or appearance is inappropriate, we will initially have a conversation with the pupil and if necessary include their parents. They may be asked to change their clothes and, if necessary, have their parents come and collect them in situations where we think a pupil's choices are incompatible with our dress code or general ethos.

PE Lessons

A PE kit consists of appropriate sports clothing, complete with underwear and socks, and sports shoes (indoor or outdoor, as required). Pupils are expected to remove all jewellery for PE lessons and sport. For PE lessons that take place outdoors in the colder months, pupils are expected to bring appropriate clothing.

If a pupil is attending PE, but is not able to participate they are still expected to change into their PE kit.

3.2.4. Valuables, Lockers and Storage of Large Items

Pupils are issued with a locker key. Lost keys must be paid for (70 Kč), similarly, forgotten keys (20 Kč). Lockers must always be emptied before the summer holiday and anything left in them may be thrown away or given to charity by the College.

Pupils who bring their own musical instruments to school are welcome to ask for a suitable place to store them, although such a place cannot be guaranteed. Contact your Senior Tutor if you need help with this.

The College cannot accept responsibility for lost, stolen or damaged property. Pupils **should not** bring expensive items to school nor carry large sums of money with them.

Money should be entrusted to a member of staff. In the case of any loss, pupils must report it [using the Lost Property Form](#), which can also be found on the Student Room intranet page.

Pupils should not take valuables to sports facilities, and the school cannot bear any responsibility for loss or damage outside its own buildings.

3.2.5. Food and Drink

Pupils can take tea and coffee and other warm drinks into lessons only in a reusable cup/flask with a secure lid, so they can be consumed without removing the lid.

3.2.6. Use of the Library

Borrowing and Returns

All pupils can:

- Go to the library to select books in person
- Use Accessit to reserve books online.
- Collect book reservations from whichever location the pupil is normally based in.
- Return books, laptops or chargers to the library. Pupils based at Elektra should return books by posting them in the Book Return Box based in the student locker room. Laptops should be returned to Reception.

Overdue Library Resources

Pupils and staff are able to check when books borrowed are due for return and may renew them electronically via Accessit. Automatic reminders are sent via email. If books are not returned four weeks after the overdue date, pupils will be charged for their replacement.

Overdue Textbooks

Textbooks are borrowed for the duration of the pupil's programme. Thus, Year 1 and Year 2 have textbooks for one school year, Year 3 and Year 5 until the completion of their respective IGCSE or pre-IB programmes. Textbooks not returned at the end of the pupil's programme will be assumed to be lost and a calculation of the cost of the textbook will be prepared and given to the pupil.

3.2.7. Assessment of Behaviour

Pupils will receive a grade (1-3) for Behaviour on the Mid-Year and End-of-Year reports. The majority of pupils should expect to receive a Grade 1, but where poor behaviour merits it, the Headmaster, in consultation with teachers, tutor and Senior Tutors, may issue a Grade 2 or Grade 3 as described below.

Grade 2: May be issued for continuing misbehaviour, where previous warnings and reprimands have not effected any improvement; for poor effort in class and homework; for missing major IB coursework deadlines, lates and unauthorised absences; or for other misconduct and breaches of the School Code.

Grade 3: May be issued following no effective response to previous warnings and reprimands and Grade 2s for Behaviour (for reasons above) or serious levels of lates and unauthorised absences; and issued for major misconduct and serious breaches of the School Code such as possession or dealing in addictive substances, physical assault, damage to property, theft, bullying, etc.

3.3. Health & Safety

3.3.1. Moving between sites

The school cannot take responsibility for pupils when they are not supervised, such as when they are travelling between sites, or leave the school site during breaks and at lunchtime. All pupils are allowed off site at break and lunchtime.

When offsite, or moving between school sites, pupils are obliged to:

- Use public transport or walk between school sites.
- Observe the principles of road safety, walking on pavements, using pedestrian crossings or public transport.

Recommended routes for moving between sites:

Elektra and Annexe buildings (Autumn):

- By public transport (total time approx. 20 minutes): Trams no. 7 or 8 in the direction of U Elektry - Nádraží Libeň and then buses no. 177, 183, 136 in the direction of Nádraží Libeň - Vysočanská.
- [On foot](#) (total time approx. 30 minutes): The route leads through Špitálská and Zákostelní, where it connects to the Praha 9 Educational Trail - south-eastern trail. The educational trail/the recommended route continues along Nemocniční, U Vysočanského pivovaru, Za Lidovým domem, along Rokytka and the rugby field. Before the bridge behind the rugby field, the approved route leaves the nature trail and after the bridge it joins the A26 bike route. The approved route then continues to U Elektry and then on to Sousedíková.

Sokolovská and Sports complex UNYP Arena (Sparta)

Pupils need to travel for their PE lessons at the UNYP Arena. Pupils must walk directly to the PE venue from Sokolovská/the Annexe, taking the approved route. [The approved route](#) leads along Sokolovská, K Moravině and Kovanecká and takes 13 minutes at walking pace.

Sokolovská and Volleyball Praha

Pupils need to travel for their PE lessons to the volleyball courts, taking [the approved route](#) along Freyova and U Lidového domu. It takes approximately 10 minutes.

Other venues:

Occasionally other sports facilities are used for other specific sports (swimming, ice skating). In addition other venues may be used for Arts Events, Language Examinations etc. On these occasions pupils must follow the instructions included in communication with parents and posted on Google Classroom.

3.3.2. Access to the School Buildings

Access to the school buildings is only possible through Reception. Pupils should use their entry fob to enter the school building at Elektra. In the Annexe, pupils can use their ISIC card to gain access to our areas. If a pupil loses or damages their ISIC student card or their entry fob, they must inform the receptionist at Elektra and have a new ISIC card or fob issued immediately at their own expense.

All visitors to Elektra must register at Reception and wear a visitor's badge. If they are visiting the Annexe, they should be signed in by a member of the Senior Leadership Team. Pupils are not allowed to bring anybody into the College without permission, obtained at least 48 hours in advance, from a member of the Senior Leadership Team.

Pupils have the opportunity to remain on the school site during breaks and lunchtime. The canteen is available at Elektra and on both sites pupils have access to microwaves and a place to eat. However, pupils are also free to leave the school site at break and lunchtime. When offsite, pupils are not supervised and it is their responsibility to follow the guidance in the Health and Safety section.

Onsite parking is not available to pupils at either the Annexe or Elektra. Pupils driving to school in cars and parking near the College do so at their own risk. Pupils must not use their cars or other independent means of transport during the school day to move from one school site to the other, to go to the PE lessons, during school trips or other events organised by the school.

Pupils are expected to behave in a way consistent with their own health and safety and the health and safety of others.

3.3.3. Health and Safety Rules

Pupils must:

- protect their own health and safety by acting responsibly and following any rules that might apply when using equipment or taking part in lessons and activities involving risk;
- if they see a danger or hazard, report it and not leave it to someone else, or they may be considered responsible;

- in the event of an emergency, obey the directions given to them and, if required to do so, evacuate the building and assemble outside in accordance with instructions given to them by their tutor and the map published in the Student Handbook;
- if they feel ill or are injured, report to the Teacher on Duty or go directly to the 4.19 in Elektra or A5 or A6 in the Annexe, where a qualified person will either administer first aid, telephone their parents or seek professional medical help; pupils must not leave the premises without informing the office or a member of staff;
- take extra care when using equipment that could be hazardous, for example, in the Science laboratories or PE facilities, and follow published rules or the instructions of teachers or other qualified people at all times;
- not misuse safety equipment, such as fire extinguishers etc., which is both a serious matter and a criminal offence;
- move about the building in an orderly manner: never run or obstruct corridors or stairways;
- help to keep the College clean and tidy; remember that cleanliness and tidiness help to prevent accidents and pupils should use the recycling areas provided to dispose of plastic and paper;
- if a teacher does not arrive within ten minutes of the start of a lesson or school activity, inform the Senior Deputy Head or the Headmaster's Office immediately;
- report any damage they cause or notice.

3.3.4. Emergency Evacuation Procedures

Annexe

In the event of a fire alarm in the Annexe, pupils must:

- Exit the building calmly and silently
- Leave their belongings behind
- Assemble in their classes on the courtyard to the left as they exit the Annexe, and stand in silence until the situation is over.

In Elektra

- Exit the building calmly and silently following all instructions of staff members
- Leave their belongings behind.

In Sokolovská

- Exit the building calmly and silently following all instructions of staff members
- Students line up in their class groups and are registered by the class teacher. At break or lunchtime it is the teacher of the previous class who registers them.
- Leave their belongings behind.

3.4. Assessment & Academic Integrity

3.4.1. Academic Integrity

The College conducts all tests and examinations in line with the rules and regulations that apply to international examinations (IGCSE, IB), but expectations apply to all work done at the College. Not cheating means that all work submitted by pupils (homework, coursework, projects, examination scripts and even oral work) must be the pupil's own work. Where sources are used or referred to, they must be fully and appropriately acknowledged. Pupils should also keep clear and detailed research notes on their Google Drives so that they have an evidence trail to prove they have carried out their own work.

Examples of cheating are:

- **Plagiarism:** this is defined as the representation of another person's work as your own. This could mean copying another pupil's work or copying from a book or the internet. It can also mean paraphrasing another person's work without acknowledging the source. This includes text created by Artificial Intelligence (AI) either from pre-existing AI-generated content or AI content resulting from instructions given directly by the pupil concerned.
- **Collusion:** this is defined as working with another pupil to produce a piece of work when this has not been authorised by the teacher.
- Using AI to produce work that a pupil claims is his or her own, or using tools to improve their writing (except basic standard spelling and grammar checks found in Word and Google etc.) unless it is explicitly permitted by the teacher.
- Taking unauthorised material into an examination such as notes, USB devices, mobile phones or other electronic devices, unauthorised dictionaries or calculators, or correcting fluid / tape.
- Exchanging information during an examination or looking at someone else's work.
- Duplication of work: this refers mostly to IB work. For example, a pupil cannot do an extended essay on the same theme as any of their internally assessed coursework.
- Any failure to comply with instructions of an invigilator during an examination

- Fabricating data for an assignment
- Stealing or attempting to gain access to examination papers or assessment materials
- Assisting another pupil in any of the above

Evidence of cheating is likely to result in pupils receiving written warnings, grades 2 or 3 for Behaviour and receiving a failing grade for the work in question. Cheating in a public examination such as IGCSE or IB has to be reported to the examination board and may result in disqualification in the given exam or in all of them, as well as the likely application of school sanctions.

3.4.2. Assessment of Attainment

Assessment at the ECP will help pupils to understand their current level of progress and how they can improve in the future. Teachers will explain how grades are arrived at and share the mark schemes and success criteria used.

Attainment grades at the ECP are awarded using our standardised grading criteria. This framework is designed to consistently encourage pupils to develop the study skills required to succeed at IB and later in life, rewarding higher-level approaches to learning, such as analysis, evaluation and creation.

Teachers use their professional judgement to apply the criteria in a manner that is appropriate to the level of study, so the exact requirements to attain each grade will vary according to year and subject, but the principle behind the grading will remain consistent.

Table 3.2 - ECP Standardised Grading

Attainment Levels at ECP

| | Knowledge and Understanding | Analysis & Evaluation | Problem Solving | Creativity | Communication |
|----------|--|---|---|---|---|

Pupils on all courses at the ECP will receive grades between 7 and 1. Grades between 3 and 7 are considered passing grades. However, pupils with a Grade 3 in a subject will need to work hard to improve this. Pupils will need to complete any extra work set by the school to help them catch up.

Table 3.3 - Grades used on reports

| IB Grade | English Report (ATT) Equivalent | Czech Grade Equivalent |
|----------|------------------------------------|---------------------------|
| 7 | 7 | 1 - výborný |
| 6 | 6 | 1 - výborný |

| 4 | 4 | 3 - dobrý |
| 3 | 3 | 4 - dostatečný |
| 2 | 2 | 5 - nedostatečný |
| 1 | 1 | 5 - nedostatečný |

In addition to the Mid-Year and End-of-Year reports, pupils will receive grades at four Progress Checks (2 for Year 6), which will be used by the school to monitor progress. These grades are intended to show pupils' current working grades (over the past 6-8 weeks). Pupils who are falling below the levels expected will be offered support to help them improve their grades. Progress Check 1 will also include a Tutor comment for new pupils, summarising how they have settled into the school.

At the Mid-Year and End-of-Year points pupils will also receive a grade that will appear on their official Czech Report for this period. These grades will reflect a pupil's overall attainment over these half-year periods.

3.4.3. Assessment of Attitude to Learning

Pupils will also be given a grade to indicate how well they are engaging with school and their approach to their studies. These are on the following scale:

- A = Very Conscientious
- B = Good
- C = Satisfactory
- D = Poor
- E = Unsatisfactory

Table 3.4 - ECP Attitude to Learning Guide

3.4.4. Progression from Year to Year

Attendance Criteria

If a pupil's attendance in a given subject is less than 85% and/or they have not met the requirements for assessment, they may not be assigned a grade in the End-of-Year report.

Academic Criteria

Academic criteria for progression are specified below.

Table 3.5 - Progress Checks

| ECP | Czech Report | Reason why awarded | Actions / Rationale |
|------------|---------------------|---|---|
| 1 or 2 | - | Poor attainment, including work not handed in for reasons within the control of the pupil / parents. | Progress Checks exist to give parents, teachers and pupils an accurate snapshot of actual performance over the preceding few weeks. |
| U | - | Pupil might not have been classified within the usual reporting period due to absence or work not handed in for reasons outside the control of parents / pupil. | Should be classified within 3 weeks, unless there are special circumstances that prevent this. |
| R | - | Released from subject. | No action required - the pupil is legally excused from the subject. |

| ECP | Czech Report | Reason why awarded | Actions / Rationale |
|------------|---------------------|--|--|
| 1 or 2 | 5 - failing grade | Poor attainment, including work not handed in for reasons within the control of the pupil / parents. | The pupil has failed on the MYR. Parents are informed. Senior Tutors/UST contact parents inviting dialogue with them, or relevant subject teachers, regarding the causes of failure. |

| | | | |
|---|----|---|--|
| U | NK | Pupil might not have been classified within the usual reporting period due to absence or work not handed in for reasons outside the control of parents / pupil. | Should be classified as soon as possible, but certainly before the end of the school year. |
| R | UV | Released from subject. | No action required - the pupil is legally excused from the subject. |

| 1 or 2 | 5 - failing grade | Poor attainment, including work not handed in for reasons within the control of the pupil / parents. | <p>Pupils who have 2 or more failing grades must apply to the Headmaster if they wish to repeat the year. They cannot progress.</p> <p>When pupils receive 1 or 2 failing grades, their parents will be contacted by the relevant faculty leader who will offer to meet (in person or online) to talk through the implications. This contact will be made before the Senior Deputy Head sends the official letter notifying parents of their rights and options.</p> <p>Pupils with 1 or 2 failing grades must take a re-sit/commissional examinations by the end of August at the latest. If they pass in all the subjects they failed, they can progress to the following year, otherwise they must apply to the Headmaster to repeat the year.</p> |

| R | UV | Released from subject. | No action required - the pupil is legally excused from the subject. |

* Year 6 are not permitted to sit the Maturita orals if their End-of-Year report contains U (NK) or a failing grade. If they do not attain a passing grade, they must submit work in the summer if they are to take the Maturita orals in September. Without taking the oral exams they do not get the Maturita certificate.

If a parent/guardian has doubts about a grade/grades given on the Mid-Year or End-of-Year report, he/she can appeal to the Headmaster within three days from receiving the information about the grade.

Additional Assessment

Pupils who are ungraded on their End-of-Year report for any reason have the right to alternative assessment, which needs to be done by the end of September of the following academic year. This is not a commissional exam. In the case of getting a failing grade in the alternative assessment, a pupil has the right to reassessment in a commissional exam. A pupil can provisionally start the following year without having passed the year, but assessment for the first half-year must be finalised by 30 June and for the second half-year by 30 September, otherwise they need to repeat the year or leave the College.

3.4.5. Commissional Exam

Commissional Exam Assessment Details

The commissional exam is a viva voce (oral examination) and it involves a panel of three: the Headmaster (or his appointed representative) and ideally two subject specialists, one of whom should be the original subject teacher, if possible. The aim is to thoroughly assess the pupil's understanding, and the process should be approached neutrally, without a predetermined desire to either uphold or overturn the original grade. The parent(s) can request to be present, but their attendance is at the sole discretion of the Headmaster.

Procedure

- If more than one commissioning exam is required, because there are multiple failed subjects, they should occur on different days.
- The process should take approximately 45 minutes.
- The pupil should be provided with paper, writing materials, and board markers.
- Once the pupil is told the pass mark and given the questions, they have 20 minutes to prepare their answers.
- The pupil then talks through their answers and can use the board or notes on paper to help them explain.
- The examiners can ask questions to probe the pupil's understanding. The aim is to ascertain the level of understanding, which may have been obscured by difficulties in written communication.
- Questions should be neutral, neither leading easily to the answer nor trying to catch the pupil out. It is acceptable to give an answer to allow the pupil to tackle the later part of a longer question, but the pupil then must score zero for those initial sections.
- The pupil should be given a final opportunity to add to their answers before being asked to leave the room.
- The panel members vote on a final grade.
- The pupil is called back into the room and told the grade.

Headmaster

The Headmaster (or his representative) does not take part in the questioning; they are present to ensure that due process is followed, and to confirm the outcome. The main responsibilities are:

- To welcome the pupil and explain the procedure and possible outcomes.
- To be a reassuring but neutral presence.
- To observe the questioning and confirm that it is fair and reasonable.
- To observe the discussions of the subject specialists when they are deciding on the outcome, and to adjudicate in the event of disagreement.
- To support the subject specialists in their decision.
- To inform the pupil of the outcome and its implications, and to complete the paperwork required.

- To bring the paperwork, question paper, and any pupil notes to the Head of Czech Educational Matters.

Subject Specialists

The subject specialists are the questioners. Their main responsibilities are:

- To select the questions to be asked prior to the oral examination. If there is more than one appeal regarding the same year and subject, they must prepare packs of different but equivalent questions and the candidate will randomly select a pack.
- To inform the candidate of the pass mark, before the candidate looks at the questions.
- To assess the pupil's understanding, taking account of their written and oral responses.
- To decide on the number of marks that the candidate has attained on each question, and the total.
- To vote on a final grade that will go on the report.

4. Sanctions & Consequences

4.1. Attendance & Punctuality

4.1.1. Incidents of lateness

These are reviewed at each half term and may result in the following action:

Pupils with an;

- **average of 1** late arrival/week will receive a Tutor Warning.
- **average of 2** late arrivals/week will receive a Tutor Reprimand.
- **average of 3** late arrivals/week will initially receive a Headmaster's Reprimand and possibly a 2 for Behaviour on the subsequent Mid-Year or End-of-Year Report.

Pupils who continue to accrue late arrivals after receiving any of the three sanctions listed above' may receive a (further), Tutor Reprimand, Headmaster's Reprimand or a 2 or 3 for Behaviour on their Mid-Year or End-of-Year Report.

4.1.2. Unexplained absences

Explaining both planned and unplanned absences is primarily the responsibility of the parent (except for pupils over 18).

The following outlines the thresholds for communication with parents when their child accrues unexplained absences. It also outlines the sanctions and behaviour grades that will be issued to pupils over 18.

- **10 unexplained absences:** The legal representative or adult pupil will be reminded to explain absences. If there is no reason given, the legal representative is invited for a meeting where the reasons for these absences will be discussed. A Tutor Warning or Tutor Reprimand can be issued to pupils over 18.
- **20 unexplained absences:** The legal representative or adult pupil will be reminded to explain absences. If there is no reason given, an educational committee is convened, attended by the Headmaster, legal representatives, tutor, Senior Tutor and depending on the severity and nature of the pupil's absence, by a representative of the social and legal authorities protecting children. A Headmaster's Reprimand can be issued to pupils over 18.
- **30 unexplained absences:** The legal representative or adult pupil will be reminded to explain absences. If there is no reason given, in accordance with Act No. 359/1999 Coll., on the Social and Legal Protection of Children, the school is obliged to notify the Office for Social and Legal Protection of Children and inform them of the facts indicating that a pupil has been neglecting school attendance and that their legal representatives are not fulfilling the obligations arising from their liability. This can lead to a conditional expulsion from school for pupils over 18.

4.2. Behaviour

Failure to behave according to the School Code will result in one or more of the sanctions below, according to the seriousness of the infringement. These sanctions may be repeated or used in sequence. Instances of sanctions will be recorded on pupils' Interim Grades and Reports.

4.2.1. Warnings & Reprimands

Confiscation

Phones can be confiscated by the teacher if he/she deems they are being used inappropriately. Upon confiscating a mobile phone, the teacher will make an arrangement with the pupil about how he/she can retrieve it.

Tutor Warning

Tutor Warnings may be issued for breaches of the School Code.

Tutor Reprimand

Tutor Reprimands are issued for more serious or repeated breaches of the School Code.

Headmaster's Reprimand

This is issued for a refusal to improve after earlier warnings or a culpable act serious enough to justify an immediate reprimand. This sanction could be used for a single breach of the School Code without previous incidents. It could also be used for behaviours that previous actions/warnings have not solved. Examples include instances of bullying, vandalism, stealing, assault (physical or sexual), inappropriate touching and discriminatory or disruptive behaviour.

If there is no improvement in behaviour during the half-year period in which the above sanctions were given, a pupil may receive a 2 or 3 for Behaviour on the Mid-Year or End-of-Year Report.

4.2.2. Expulsion

Conditional Expulsion*

A pupil is conditionally expelled from the College for serious acts that affect the safety and security of others. This sanction could be used in serious single breaches of the School Code without previous incidents. It could also be used for behaviours that previous actions, warnings and reprimands have not solved. Non-exhaustive examples include serious instances of bullying, vandalism, stealing, assault (physical or sexual), inappropriate touching and discriminatory or disruptive behaviour. Other examples include bringing addictive substances or potential weapons into school although these may lead directly to expulsion.

Particularly gross verbal and intentional physical attacks by a pupil against other pupils or school staff are always considered a serious breach of the obligations set out in the Education Act, for which the pupil may also be conditionally expelled. This will also result in a 3 for Behaviour. This sanction can last up to one year. Any subsequent breach of the School Code within the duration of the conditional expulsion is likely to initiate expulsion proceedings.

Expulsion*

The pupil is expelled from the College for very serious acts that affect the safety and security of others. This sanction could be used in very serious single breaches of the School Code without previous incidents. It could also be used for behaviours that previous actions, warnings, reprimands and conditional expulsions have not solved. Non-exhaustive examples include very serious instances of bullying, vandalism, stealing, assault (physical or sexual), inappropriate touching and discriminatory or disruptive behaviour. Other examples include using, supplying or dealing in addictive substances and bringing weapons to school, especially if any aggravating factors are present.

**Conditional expulsion and expulsion can only apply to those pupils who have completed their compulsory school education. While each case is carefully investigated, this usually refers to pupils in Year 3 or above. Also, conditional expulsion and expulsion are executed through the state administrative proceedings (Správní řád).*

4.3. Health & Safety

4.3.1. Serious Infringement

Pupils may not bring alcohol onto College premises or on school trips, or consume alcohol during the school day on or off, or within the vicinity of, the College premises. On school trips the School Code still applies. No pupils may drink alcohol and must accept any additional rules required by the trip organiser. Pupils who ignore this may be sent home immediately and it will be treated as a serious breach of the school rules.

The possession of weapons, real or imitation, and all knives is forbidden in the College and on school trips as well as in the area surrounding the College and may result in immediate disciplinary action. There may be exceptional circumstances (such as DofE expeditions) when the trip leader includes items like pen knives in kit lists. This is the only circumstance when carrying a knife is allowed: if students have been explicitly instructed to bring a knife, in writing, by the trip leader.

If a pupil's behaviour is unusual or out of character, or if their academic performance or behaviour deteriorates significantly, then that pupil will be interviewed and, if there appears to be a problem of drug abuse, their parents may be invited into the College so that the Headmaster can advise them on further steps that must be taken in the best interests of the pupil and the rest of the College community.

If a pupil is discovered carrying addictive, prohibited or illegal substances during the school day (or on a trip) or offering, supplying or selling addictive substances to other pupils at any time, then they must expect to be expelled as laid out in the Sanctions section. If a pupil has concerns over their own use of addictive substances or has concerns for a friend and wishes to seek help, they should tell a member of the school's teaching staff or any of the Senior Leadership Team. Self-disclosure of personal drug use offsite will not be treated as a disciplinary issue. The College will always endeavour to offer support and advice to the pupil and work with the pupil's family.

4.4. Assessment & Academic Integrity

4.4.1. Merits

Pupils may be awarded a Merit when they display any of the traits in the IB Learner Profile. These relate both to academic effort and contribution to the wider life of the school. Merits will be awarded through the school's Information Management System. In normal circumstances pupils will be given one Merit at a time. The Senior Tutors/Upper School Team have the discretion to give up to five Merits at a time for exceptional contributions.

Five pupils from each year group who have accrued the highest number of merits throughout the school year will be awarded a Headmaster's Commendation (Gold

Award) in an end-of-year assembly. The Headmaster may also issue a Headmaster's Commendation for outstanding contributions to school life at his discretion.

5. School Policies and Headmaster's Directives
